

Picture Day
Sunday, March 21st
RYBA Field 12

Ezell's Studio will be taking our pictures this year, we look forward to a successful picture day. They have done a great job for us in the past. I will post a schedule at the concession stands as soon as possible. You will need to pick up order forms from the Miracle League Concession stand the week of March 15th. Make sure parents know this is the only order form we will get. The forms are preprinted and there will be very few extras for those that are misplaced.

Pictures should be back the week of April 12th. I will send out a calling post to the coaches when they come in. You or the coach can pick your teams orders up from the Miracle League Concession stand. Remember the concession is only open if games are being played.

Please do not call Ezell's for schedule info, they do not have it. ***Call me now if your coach is coaching more than one team or you foresee a problem with scheduling.*** I will do my best to accommodate scheduling requests but I need them ASAP. Also if you have a family with more than one child playing baseball I will try to put team close together, have parents contact me with age group and team names.

Each child photographed for individual pictures will receive two free buttons! The buttons will be back the week of March 29th, pick them up from the Miracle League concession stand.

If it is raining pictures will be taken at Ezell's Studio located at 2009 Iris Drive, Conyers. Please check the website on picture day for any updates.
